Wine Release Fact Sheet

2012 Sky Island Viognier

100% estate grown Viognier was minimally processed and produced in stainless steel to preserve the acidity, intense aromatics, and fruit flavors the Viognier grape provides. This wine was made to emulate the characteristics of food friendly and zesty Sauvignon Blancs and dry Rieslings. As with all of our Sky Island offerings, there is no oak influence.

Winemaker Notes: Enjoy as an aperitif or pair with light cheeses, grilled fruits and vegetables, seafood, poultry, or spicy Asian cuisine. 302 cases produced

2010 Signature Petite Sirah

"The Signature" reflects our belief that Petite Sirah is going to be the signature grape of our estate and of the Chiricahua Mountains. Our terroir brings out the most striking features of the grape and we are looking forward with great anticipation to many amazing vintages. Around here we call it "liquid midnight" but you can enjoy it any time of the day! 100% Petite Sirah, 83% aged in new American oak barrels for 22 months.

Winemaker Notes: Bold, toasty, and spicy. This wine is great with bold flavored dishes or rich grilled meats. 134 cases produced.
